
Capitalist Manifesto Understanding Market Economy

the marxist critique of liberalism - a commodified worker is, in simple terms, a worker with a price. • the commodification of labor, inherently alienates human beings from their true selves. nce the worker does not own what he produces, since he lives as an extension of the machine, since he hates **wikinomics and its discontents: a critical analysis of web ...** - van dijck & nieborg: wikinomics and its discontents 857 ideology of cultural collectivism as the gateway to economic cornucopia. underneath the rhetoric of these manifestos lies an intriguing complex of
